Dear Dr Andriotis

The Trustees of the Great Britain Sasakawa Foundation met on 16th November 2017, and I am pleased to tell you that in response to your application for funding for the above project, it was agreed to offer you a grant of **£1,600**.

The following conditions apply:

1. The grant offered and any interest accruing on any balance that may be unspent is to be used solely for the project as described in your above mentioned application.
2. Any significant variation of purpose or timing of the project shall be subject to the consent of the Foundation, and the Foundation shall be consulted prior to any such variation. Any such variation undertaken without the Foundation's prior approval may result in the grant becoming immediately repayable.
3. In the case of the grant money (and the income thereof in the interim) being not fully expended for the project as set out in your application within two years of the date of this letter, the grant or the unspent portion shall be returned to the Foundation, unless the Foundation shall have agreed in writing to a change in the conditions of the grant.
4. You will provide a post project report, including expenditure of the grant made and such other information on the project as the Foundation may reasonably ask. We would appreciate with the report copies of all pre-event publicity and any other materials connected with the project such as programmes, papers, press articles and photographs. **This report should be submitted within three months of completion of the project for which you applied.**

Please ensure that the Foundation is acknowledged on all materials and publicity produced as a result of the grant. We would be happy to supply you with our logo for this purpose or you can find it on our website: www.gbsf.org.uk.
